## TO WHOM IT MAY CONCERN

This is to confirm that Shigadrywithearth Company was the Official Sponsor of the Infection Control Program at Arab Health 2010, one of the leading and biggest healthcare events in the world.

Amongst the 2,700 participants from all over the world, Shigadrywithearth Company was also an exhibitor and launched their industry leading innovations at the event.

We are very pleased to have had the acquaintance with the team especially with their President Mr. Hidehiko Tanaka and Chairman of International operations Mr. Naushad Mohideen who took active participation at the event.

I together with the IIR team take this opportunity to wish them all success in their endeavors.

Thank you
